SUBJECT: Interstate Gas Supply of Illinois, Inc.

Petition for Emergency Relief to Protect Portions of IGS's
Report of Continued Compliance as an Alternative Gas
Supplier

RECOMMENDATION: Enter the attached Order exempting Petitioner's Compliance
Report from public disclosure for a period of five years.

Interstate Gas Supply of Illinois, Inc., ("Petitioner") seeks an order protecting its Compliance Report and Attachments (A)(1)-(3) as an Alternative Gas Supplier ("AGS") from disclosure for not less than five years to safeguard highly proprietary information from public disclosure. Petitioner states that its report contains confidential commercial and financial information that is highly proprietary and confidential, and that disclosure of this information to competitors would be detrimental to Petitioner.

Pursuant to Section 200.525 of the Commission's rules, Petitioner waived its right for a hearing. The request was granted, and no hearing was held in this matter.

The attached Order finds that Petitioner's 2008 Compliance Report and Attachments A(1)-(3) of Continued Compliance as an AGS should be exempt from public disclosure under Section 7(g) of the Illinois Freedom of Information Act and Section 5-109 of the Public Utilities Act for a period of five years. Accordingly, I recommend that the attached Order be entered granting the requested relief.
